Get to know Olga Rodriguez

Areas of interest, research and professional involvement: Pediatric/neonatal cardiology, pulmonary hypertension, extracorporeal membrane oxygenation, pre- and post-kidney transplant patient education for recipients and donors and parenteral nutrition support. I participate on the code and venous thromboembolism committees, and I'm also a member of ACCP, ASHP.

More about me: I spend most of my time with my dog Bela. Bela and I enjoy long walks and traveling to visit family. I enjoy traveling around the world, hiking, trekking and live music.
